Carcinoma of the small bowel is relatively rare. The most frequent lesions are other benign tumours of the small bowel. The incidence of adenomatous polyps of the small bowel is increasing and is probably related to a higher life expectancy. However, the significance of such lesions is not well established. We therefore did a prospective controlled study to assess the accuracy of a test of faeces cytology in detecting patients with malignant lesions of the small bowel. Patients were examined with one week's faeces and three weeks later with video capsule and if the faeces were positive four biopsies of the jejunum and ileum were taken. Out of 801 tests 10 were positive. Of these 5 had adenocarcinoma or

cancer of the small bowel and 4 were negative. We conclude that the sensitivity of the test in our hands is not sufficient to warrant its routine use in screening or follow up of patients with polyps of the small bowel.

accurate, and more – Humpy's new ATAPI drivers We bring to you the combined work of about 50 people, two years of work, and one driver to give the HP ZR30 a proper ATI ATAPI driver. Great, big, fat numbers. We started the ball rolling with an AMD Radeon HD 6290 graphics card back in early 2014. “Like hell, no,” were the Humpy, and Humpy is right. Let's start with an overview of the work we have done. When we got into the area of HD video playback and recording, we

These games are great, and I played them on the final day of E3. I don't know when this will come out, and am not sure if it would be released before the holidays. If not, and an early holiday gift just for you, remember M.U.L.E.?! Get down to a recent, unforgettable childhood visit to Disneyland in The Cinderella Castle Experience, the captivating novel based on the new Disney movie Cinderella! It's a special night for a young orphan named Snow White and her evil stepmother, who are on a royal quest to discover the identity of Snow White's father. As they journey, they receive assistance from the King's appointed counselor, the princess's mercurial stepmother, and a dreamer named Dreamy who has true, unconditional love for Snow White! And during a magical journey into the kingdom's landmarks, they learn about their pasts and discover more about their destinies. Get a glimpse of Disneyland through The Cinderella Castle Experience and soak in the story's emotional depth! Praise for The Cinderella Castle Experience: "An elegant story that beautifully executes one of the most remarkable aspects of Disneyland." -Nancy Isenhower, author of the Indianapolis Star bestselling series The Magic of Promise Land and Spooky Scary Tales: Occasional Stories

EVERYTHING YOU ASKED FOR. Handy draws inspiration for his lavish manga stories from everything from Pokémon toys to decapitated heads, and other such toothy, freaky and downright unsavory objects. That's right--he draws monsters! Haxxy is like if Lewis Carroll and Cracked had a baby. And the result is sometimes tasteless. Sometimes just. Sometimes funny. Sometimes freaky. Sometimes beautiful... ...and sometimes all three at once.

Handy isn't like any other artist you've ever seen. He builds his art from plot, context, characters, and monsters. It's a complete vision that needs no caption to
