Here you will find the Full Walkthrough to ELDEN RING game cheats: While playing the game with all your strength, you will encounter different types of enemy units, so in order to kill them you need to use special spells. These spells will be stored in a backpack, so to equip a spell and use it you need to use an item called "Backpack". These spells are the "dusk", "dawn", "stone", "ice" and others. In addition to this, you can equip items in backpack to make your character more powerful. Now let's start the game. At the beginning, you will see the entrance to the city full of enemies. First, you should select your role, that is, whether you should fight or explore. Secondly, you will see the introduction, where you will meet a mysterious person, that is the "Elden Lord." You need to meet this person in the city. There are two paths to the city and Elden Lord will assign you the right one. Your first task is to kill as many enemies as possible before reaching the city. You can encounter waves of enemies, so use potions that you get from dead enemies. During game, you will meet some powerful characters, and you can use them as allies. So you need to buy powerful weapons and armor to attack enemies. You also need to defeat the bosses to achieve high scores and obtain powerful weapons. And also, you need to explore the city and

earn experience points to upgrade your character. Now you will see the entrance to the city, where you will meet the first enemy. You need to defeat enemies in this city.
